## Colorado College

# Scholarships Awarded

*for the Year*

1930-31

Through the generosity of friends of Colorado College there is available for many of the most deserving students of the college, in the form of scholarships, prizes and awards of different kinds, a total of almost eleven thousand dollars annually. These funds are administered largely by the faculty Committee on Scholarships. The Henry Strong Scholarships are administered for the Rocky Mountain region by Mrs. Ella Strong Denison of Denver, and awards are made to students in Colorado College by Mrs. Denison in consultation with the Dean of Women; the scholarships of the Woman's Educational Society of Colorado College are administered by the Executive Board of that organization.

These scholarships are the means by which some of the best students are enabled to enter college and to continue their studies in college. Even with these generous sums the Committee on Scholarships is never able to give financial assistance to all of the worthy students who apply for aid.

This leaflet announces the names of students to whom scholarship awards have been made for the year 1930-31.

### HYMN 88—

O God, our help in ages past, Our hope for years to come, Our shelter from the stormy blast And our eternal home.	A thousand ages in Thy sight Are like an evening gone; Short as the watch that ends the night Before the rising sun.
Under the shadow of Thy throne Thy saints have dwelt secure; Sufficient is Thine arm alone, And our defense is sure.	Time like an ever-rolling stream, Bears all its sons away; They fly, forgotten, as a dream Dies at the opening day.
Before the hills in order stood, Or earth received her frame, From everlasting Thou art God, To endless years the same.	O God, our help in ages past, Our hope for years to come, Be Thou our guard while life shall last And our eternal home.
