O God, our help in ages past, A thousand ages in Thy sight
Our hope for years to come, Are like an evening gone;
Our shelter from the stormy blast Short as the watch that ends the night
And our eternal home. Before the rising sun.
Before the hills in order stood, O God, our help in ages past,
Or earth received her frame, Our hope for years to come,
From everlasting Thou art God, Be Thou our guard while life shall last
To endless years the same. And our eternal home. Amen.
