*THE COLORADO COLLEGE HYMN: "St. Anne" Croft

O God, our help in ages past,
Our hope for years to come,
Our shelter from the stormy blast
And our eternal home.

Before the hills in order stood,
Or earth received her frame,
From everlasting Thou art God,
To endless years the same.

A thousand ages in Thy sight
Are like an evening gone;
Short as the watch that ends the night
Before the rising sun.

O God, our help in ages past,
Our hope for years to come,
Be Thou our guard while life shall last
And our eternal home. Amen.

—Isaac Watts

*BENEDICTION

A NOTE ON ACADEMIC COSTUME

Academic costume comes down from the universities of the Middle Ages. In a day when all students were clerics, the gown and its attached hood served both to keep the student warm in unheated buildings and to identify the particular religious order to which he belonged.

American academic costume of today is based upon an inter-collegiate code established in 1895. The gown is generally of black, differing somewhat according to the level of the degree. The tassel on the mortar board cap may be of black or of the color indicating the degree, except that a doctor's cap occasionally has a tassel of gold thread.

The major distinguishing characteristic of the gowns are the sleeves, styled in the following fashions: bachelor, long pointed; master, oblong; doctor and specialist, bell shaped. The doctor's gown has velvet collar, and three bars. The specialist's gown differs from a doctor's in that it has no sleeve bars.

The hood is the outstanding feature of the costume. Of black material, it is lined with the colors of the college or university granting the degree and is bordered with the color appropriate to that degree. The degree, and not the department or field, governs the color of the border. Thus the border of a doctor of philosophy is always blue for philosophy, regardless of the field of study. The Colorado College hood is lined with gold.

Among institutional colors which may be seen at today's exercises are the following: California, gold, blue chevron; Chicago, maroon; University of Colorado, gold, silver gray chevron; Columbia, light blue, white chevron; Denver, scarlet, lemon yellow chevron; Harvard, crimson; Illinois, dark blue, two orange chevrons; Indiana, crimson, white chevron; Iowa, old gold; Johns Hopkins, dark blue, gold chevron; Michigan, maize, azure blue chevron; MIT, bright red, silver gray chevron; Northwestern, purple, gold chevron; Pennsylvania, cardinal, blue chevron; Princeton, orange, black chevron; Stanford, cardinal; Wisconsin, bright red; Yale, dark blue.
