Colorado College Information (When, Why, How You Came to Colorado College)

Came to CC as a freshman in Fall of 1979. I was interested in attending CC because of the liberal arts emphasis (something desired by newspaper editor, too!) and the block plan, because I have always enjoyed concentrated study. I liked the location because as a "military (Air Force) brat," I was ready to "put down some roots" in this town.

Your Special Interests, Activities, Hobbies, etc.

My interest for a career is journalism - newspapers in particular. At this point, writing for the Sun and editing a weekly page would have to serve as my "hobby" - classes and campus activities absorb the rest of my time.
